

**Madison County Children Services
CPMT Meeting
Madison DSS Boardroom
July 8th, 2025
9:00AM- 11:00AM**

Attendees: T. Woodward, M Hood, V. Ward, A. Sanford, J. Alexander, D. Dawson

Absent: D. Ferrell, T. Chavez

Updates: DJJ gave update on Truancy and there 0 due to school now out for the Summer. There is discussion of forming an MDT group for truancy. That is in the works further details to come. Foster care numbers 31 in foster care and 3 in Fostering futures totaling 34. CSA will be attending an upcoming training in Culpeper for FAPT/CPMT. Discussion on difference between a psychological evaluation and psychosexual, discussion on other processes as well. CSA will bring back information from that meeting to the August meeting. Our new CPMT chair for the fiscal year is Valerie Ward. Fiscal updates CSA has a local only supplement that we are asking for \$125,000 to finalize 24/25 year. Due to the higher levels of care needed this past year and more children in need of services, it has caused the budget to increase significantly. CSA wanted to thank its FAPT and CPMT members for attending the OCS CHINS training that took place June 18th virtually. This training went over the new CHINS form and the policy changes that have been put in place. Audit follow-up CSA will have to submit its response to the findings from the meeting that was held in June. Once the response has been submitted OCS will do another follow-up by doing a quality improvement plan. Details to follow.

CSA has still actively been involved in identifying a potential parent representative for CPMT speaking with OCS about recruitment. It has been unsuccessful due to schedules, finding an appropriate individual to follow the confidentiality requirements, and who would best meet the needs of the team.

There being no further updates the team moved to the next agenda item.

Next Agenda Item:
